

Buddies Newsletter

Autumn Term 2016

Bishop Wood School Association
Registered Charity No. 1042238

Dear Friends of Bishop Wood Buddies,

Firstly we would like to welcome our new parents to the school. We hope your children have all settled into Bishop Wood and that you are getting to know some new faces. Welcome back to everyone else too and we hope you had a fun Summer break.

We had a fantastic last financial year last year and raised a massive £10,426.76 for the school! We have now purchased 48 Acer mini laptops and these are now available for your children to use.

Buddies AGM - 17th October 8-9pm at the school

We would like to invite you to the BWSA (Buddies) Annual General Meeting on Monday 17th October. A letter will be coming out soon but please put the date in your diary.

School uniform sales

With some Buddies' children having moved on to Tring School, we really do need somebody to volunteer to run the second hand uniform shop, once per half term. This is a vital role which, not only provides low cost uniform to parents but also raises £500 upwards for the school per year. If you would like to know more about the role please email Sam Hodge at loz.fastlynx@btinternet.com

We have lots of fun events planned for this school year and we hope you can attend them all.

Fri 14th Oct 2016 Buddies disco for the children
