Dear Parents and Carers,

### Considerate Parking

I would like to respectfully remind all of our families of the importance of parking considerately when dropping children off or picking them up from Bishop Wood School. We have been contacted by families in the local neighbourhood about this matter, and the distress and inconvenience that this causes when our parents and carers obstruct driveways preventing access. We are a health promoting school so parking in the ample public car-parking facilities in Tring and walking the remaining short distance to school is actively supporting the School Travel Plan through the "Park and Stride" initiative.

I would also like to remind everyone that there is no parking on school premises. We have limited space anyway but the main point of this is to ensure the health and safety of all of our children. There is a disabled space available for any person who requires this.

I am very appreciative of your support and cooperation with this matter.

Thank you,

With kindest regards,  
Yours faithfully,

Mrs L.A. Hardman  
Headteacher
