Dear Parents,

### Re: Changes to our Behaviour Policy.

The recent Parental Questionnaire suggested that there is a slight concern amongst a minority of parents about standards of behaviour at Bishop Wood.

We have discussed this as a staff team, and do agree that we are going through a period of challenging behaviour being presented by a small group of children, particularly at lunchtime.

After some lengthy discussions on how to tackle this problem, it has been decided that for a trial period, the number of teachers 'on duty' each lunchtime will be increased from one to two. The second person will be 'on duty' in their classroom.

If a child's behaviour on the playground or field is deemed inappropriate, that child will be sent in to complete a reflection sheet with the teacher on indoor duty. **You will also be informed by e-mail that this has happened, with brief information being given as to which Golden Rule has been broken.**

We hope this will spark a discussion between you and your child about what has happened. A conversation with the class teacher will also take place in all but very isolated cases.

By working in partnership in this way, we trust that the current situation can be improved for the benefit of all concerned.

The staff appreciate your co-operation and understanding in this matter.

With kind regards,

**Jon Hall**  
**Deputy Headteacher**
