21st March 2017

Dear Parents and Carers

Re: Water Bottles

In an effort to ensure all our children are adequately hydrated during the school day we would like to encourage you to purchase one of our new 'Bishop Wood School logo water bottles.

It is important that children have a water bottle in school as it is widely accepted that drinking water can contribute to overall good health.

Access to drinking water whilst at school helps to increase pupil's overall water consumption and maintain hydration and concentration. In addition, adequate hydration has been shown to improve cognitive function, which is important for learning.

Water bottles can be brought to school from home provided they are named and have a non-spill sports type top. Please fill with Water only **no squash**.

School Logo Water bottles are available at a cost of £2.00 each. You can see from the picture that there is a space for children write their names. Mrs Lloyd in the school office has permanent markers and would be happy to fill in names if required.

FAO - Mrs Lloyd - BWS School Office

I would like to purchase _____(*quantity*) water bottles.

Child's name _____

Class _____

I would like the bottle named in permanent marker Yes / No (*delete as appropriate*)
