Mrs. L.A.Hardman, Headteacher

Dear Parents and Carers,

We would like to offer Year 5 revision maths books to children in Year 5. There is no obligation to purchase this for your child, but several parents have been asking for extra maths practise for their child as they come to the end of Year 5 and for keeping their maths learning going over the summer holidays, ready for Year 6. The study book explains the maths and the work book has practise questions. If you would like to purchase these, please complete the form below and return to school by Wednesday 28.6.17.

Kind regards,

Mrs McGhee

Maths Subject Leader
