Subject: **Playground Improvements Project**

Dear Parents and Carers,

We are really pleased to be able to announce that as a result of our fundraising this year we have been able to provide the school with a contribution of £10,000 towards improving the school grounds.

A multi purpose games area is on order for the top playground, which is an enclosed sports area similar to the one at the Miswell Lane park. This will provide a fantastic all weather space for games, and will also create a better segregated space for more creative play.

Thank you so much as always for your support with fundraising for our school.
