Subject: Summer Songwriter Course

Dear Parents and Carers

Hertfordshire Music Service is running holiday song-writing workshops where young people aged 8-18 can develop their musical skills and creativity.

Whether your child is a complete beginner or is already playing in bands this workshop will guide them through the process of writing, performing and recording their own songs.

Hertfordshire Music Service tutors help with writing lyrics, composing melodies and putting it all together ready for a final performance for friends and family. As well as developing musical skills, these workshops are a great way for young people to develop their confidence and meet new like-minded friends.

Costs from £15-£35, bursaries are available. For more info and to book online please see songwriteronline.co.uk

More information about the project is available at <http://songwriteronline.co.uk/inspiration/what-is-songwriter/>.
