Mrs. L. Hardman, Headteacher

Tuesday 18<sup>th</sup> July 2017

Dear Parents,

### Welcome to Year 4

We enjoyed meeting the children this morning and hope that they came home enthused about the exciting opportunities that will be available to them in Year 4, we are very much looking forward to working with them in September.

Given the long summer holidays, we suggest that the children keep their English and Maths skills going by doing some or all of the following:

- The summer reading challenge organised by Tring library.
- Keep a holiday diary. You could include writing, photos, drawings, anything you like really. We will share them in class in September. They are a really good way of keeping your writing skills going and a brilliant way for us to get to know you; they will also be a super memento to look back on in years to come!
- Practise your times tables e.g in the car or use one of the many websites where you compete against yourself to improve your scores e.g mad4maths.

We hope you have a wonderful summer and look forward to seeing you all in September.

Yours sincerely,

Mrs Day

Mrs Dunford

Mrs Reeve
