Subject: **Reminders**

Dear Parents / Carers

Dogs

Whilst most of us love dogs and understand that dogs are a valued part of many families; due to health and safety concerns however they are **not permitted** to come in to school grounds. Some of our children are also quite frightened of dogs and having them close to the entrance of school is causing distress so please be considerate to others when bringing your dog to school.

School Driveway

For those parents new to our school may we remind you that you must not use the school driveway at the start and end of school. Please support us in our effort to keep all our children safe and **DO NOT** use the school driveway to drop off and collect your child. We are fortunate that there is a free car park directly opposite the school.

Bishop Wood School Grounds

We welcome parents and younger children to the Bishop Wood School grounds at the end of the school day. It is great to see our children rushing out to loved ones excited to tell them about their day at school. However, please could we ask that parents and child minders **actively supervise** younger children when waiting to collect Bishop Wood children so they are not placed in unnecessary danger and do not disrupt the end of the school day for our pupils. We have stories and prayers at the end of the day and we would prefer our children to be in a calm and quiet environment. We would also like parents to ensure that younger children **do not play** on the outside equipment or enter the wildlife area. They are not insured and the equipment is intended for use by junior school age Bishop Wood children only.

We thank you all for your co-operation with the above.

Kind Regards

Jon Hall

Acting Headteacher
