

Welcome Back!

Thank you to all the children for coming to the breakfast and supper Club for the first half of the Autumn Term.

We are delighted to announce that we have been confirmed as a permanent wrap around care provision at Bishop Wood and look forward to welcoming more children in the coming months.

We have had some brilliant sessions with the children and they have been having lots of fun with so much more to come this term from Children in Need sports and baking to our Christmas Party! Have a sneak peek on our blog on the Bishop Wood website to see what we have been up to!

Christmas is coming... Can we help?

You may want to take advantage of the club and book your child /children in before or after school to allow yourself extra time to do some Christmas shopping or attend a work Christmas party?

We always accept ad-hoc bookings in advance or at short notice (subject to availability) so it doesn't need to be a regular weekly booking.

You are welcome to register your child/children with us at any time and once you have completed this process you can just e-mail us with any sessions you may need.

Register here at - <http://goo.gl/forms/k9bVyX872E>

Contact us at - Bishopwood@kids-bsc.co.uk

Thank you again for your support and we are looking forward to another busy half term!

Don't forget.... We have our first Master Class with the Shaken Cow on Wednesday 8th November introducing the children to Milkshake and Smoothie making!

If your child is not booked in for this session but would like to attend then please contact us to book in (subject to availability)

SHAKEN COW MILK BAR
