Dear Parent/Carer

Further to Tring School's Open Evening in September 2017, I would like to inform you about our curriculum provision in Modern Foreign Languages for the next academic year (2018/19).

Last academic year, we took the decision to revise our language provision in Year 7 and to offer two languages instead of three. The reason for this decision is to allow students to embed the fundamentals and consolidate students learning of two languages rather than potentially be overstretched with three. Learning three languages at one time creates dilution and a lack of understanding and, therefore, does not provide the best foundation to study languages further. We will be continuing this model next year. The languages that the students will be studying in Year 7 in 2018/19 are French and German.

I hope that you will find this information useful.

Kind regards

Nigel Barlow
Assistant Headteacher
