Mr G Stanley, Headteacher

29<sup>th</sup> January 2018

Dear Parents and Carers,

This week we are launching our new maths targets in the form of a booklet, similar to the reading record. Mathematical fluency is a key part of the KS2 Maths Curriculum and underpins all areas of mathematical thinking. Pupils need to practise the recall of mathematical facts and efficient strategies to make good progress in their learning. Please support your child by helping them to practise regularly, 3 times a week for 15 minutes. Please take any opportunity to practise them in real life situations too. These targets will also inform you of the mathematical learning your child is doing in school. The pupils will receive a certificate each term if they have practised 3 times a week for 12 weeks. If a pupil succeeds in doing this for 3 terms, they will receive a small prize at the end of the academic year. The class teacher will go through the booklet with the pupils before they come home.

Many thanks for your support,

Kind regards,

Mrs McGhee

*Maths Subject Leader*
