Dear Parents and Carers,

### **Bishop Wood Wildlife Photography**

I would like to encourage the children to closely observe our beautiful natural world and take photographs of the things that really appeal to them. The photographs can be any wildlife image of animals or plants but should not be of farm animals, family pets or cultivated plants. As the weather improves, hopefully there will be many opportunities for family walks, discussion and lots of photographs!

You can email photographs to the [homelearning@bishopwood.herts.sch.uk](mailto:homelearning@bishopwood.herts.sch.uk) account or send the photographs into school in an envelope addressed to me by Friday 15<sup>th</sup> June and I will organise a display.

Many thanks for your support.

Kind regards,

Mrs Day

Science Subject Leader
