Dear Parents and Carers.

Re: Year 6 Science trips – Adaptation and Classification

Year 6 will be visiting the Rothschild Museum in Tring on the mornings of Thursday 14th June and Monday 18th June. The Museum is running exciting workshops related to Year 6’s science topics.

In order to do this, we need parent/carer helpers to walk the children to and from the museum and help supervise them during small group work.

There is no charge for these workshops. Pupils should bring a water bottle and a snack.

We would be grateful if you could fill in the form below and return it to school by Friday 25th May.

Many thanks – your help is very much appreciated.
