# Looking for something to do in Dacorum?

We have four Adventure Playgrounds across the Borough which cater for six to twelve year olds. They are a safe environment for children to meet, play and learn. They are managed and supervised by a team of qualified staff and provide a secure and stimulating environment for all children, including those with special needs and disabilities. Please remember that the playgrounds are run as open access facilities which means that children are not restricted and can come and go as they wish.

Children under six are welcome when accompanied by an adult.
