Session!

Cooking club next term: every Thursday from 3.30 to 4.30

- Seaside themed session when Freddie the Fish will be paying the children a visit. Including baking sea creature shapes to munch and sea themed art.
- Pizza making (or perhaps Calzone), made from scratch using fresh yeast.
- Strange foods from history that people used to eat – but we won't be!
- Join us for fun times, includes something yummy to take home, craftwork and games to play.

Running from September through to October half-term and beyond when will be having a Christmas calendar countdown and discovering what a Medieval Christmas dinner menu looked like for the rich and what poor Oliver Twist and other Victorian orphans got to have. We'll also be making a selection of edible goodies including chocolate truffles and a Christmas cake to decorate.
