Dear Parents and Carers

Re: Cycling / Scooting to School

If your child is keen to cycle or scoot to school, County recommend that children have passed their Level 2 Cycling Proficiency before they cycle on their own. If your child does not have this, but you feel that they have sufficient road sense and skill with their bike / scooter then the decision is yours.

We would be grateful if you could read the attached agreement through with your child and encourage them to fill it in. When they return the form to school they will be given a pass to enable them to use the bike shed.

It is essential that the children to NOT ride their bikes / scooters in the school grounds. Please emphasize this to your child.

Thank you very much for your co-operation,

Janet Reeve,

Healthy School Co-ordinator
