

# **Bishop Wood Junior School**

## **PE Sport Funding 2015-16**

### **What is PE Sport Funding?**

The Government provides additional funding for physical education (PE) and sport in schools.

This funding is to be used to improve the quality and breadth of PE and sport provision resulting in increased numbers of pupils developing healthy life styles, raising their performance levels and engaging in PE and sport.

The additional PE and sport funding allocated to Bishop Wood School for the period 1<sup>st</sup> September 2015 to 31<sup>st</sup> August 2016 is £9150.

### **How will the money be spent?**

The additional PE and sport funding pays in part for the:

- Employment of a specialist Sports Apprentice, who organises playtime games, leads/ assists with a variety of curriculum time lessons and runs several extra-curricular clubs
- Membership of the Dacorum Sports Partnership giving Bishop Wood the chance to take part in a greater number of sports events and festivals
- Sports Leaders lunchtime club run by Premier Sport which allows Y6 pupils to gain experience in leading sports activities for the younger children
- House Games afternoons run twice every half term by the Six4Six coaching group

We expect the grant to be approximately £3K short of paying for all of the above, but this shortfall is covered by the school budget share.

### **How will the impact be measured?**

It is planned that the pupils will be given a questionnaire during the Summer Term 2016 to assess the impact on their participation levels and engagement with the above activities.
