

Sports Premium Funding 2013-2014

Actions	Impact	Cost
1. The House system has been set up so that all children are involved in competitive team games at least once a term in activities run by Six for six Company	All pupils get to experience playing competitive sports as part of a team	£1080
2. A questionnaire was delivered regarding sports participation and as a consequence a new Play Active club has been set up at lunchtime aimed particularly at children who do not take part in other sporting activities. This has been run for us by Premier Sports	Improved activity and fitness levels amongst the least active pupils	£945
3. A specialist PE teacher from The Tring School Sports Network has taught gymnastics to the Year 4 pupils over the past year.	Year 4 teachers have been upskilled and feel more confident teaching gymnastics	£1100
4. Children have participated in local sporting festivals in the Tring community	Standards are raised because the children are exposed to competition and learn from the skills of others	
5. All children have swimming lessons every week in the summer term. Funding is subsidised for those families unable to make the voluntary contribution	An increased percentage of children are confident swimmers by the end of the Key Stage.	£250
6. Purchase of new PE equipment to support active play and lunchtimes	Children have an increased level of engagement with physical activity at unstructured times	£3250

Plans for 2014-2015

1. Appointment of Sports Apprentice to run activities at break and play time
2. Training of Midday Supervisory Staff to support active play
3. Joining the Dacorum School Sports Partnership to enhance further opportunities
4. Maintaining the new initiatives outlined in the current provision
