Friday 23rd October 2026

Dear Parents and Carers,

We are delighted to announce that we are participating in the Christmas card project with Art Projects For Schools this autumn.

Children have enjoyed creating their artwork and you now have the opportunity to order cards, wrapping paper, gift tags, mugs and tote bags printed with your own child's picture to share with family and friends. Every order you place will also raise valuable funds for our school.

Your child's lovely artwork will be sent home to you today along with an information leaflet.

Art Projects for schools have changed their ordering system this year so please follow these instructions carefully.

To place your order, simply follow the instructions on the leaflet:

- Scan the QR Code on the back of the Christmas Project leaflet to get the ordering process started.
- Download the new APFS App when prompted to scan or upload your child's artwork.
- Scan/ upload the artwork or chosen picture following the instructions provided.
- Choose from the available products and place the order online.

As you are uploading pictures of your child's artwork yourself, their artwork does not need to be sent to APFS for scanning. This gives families the opportunity to create alternative/additional designs if you would prefer.

The online portal opens on 27th October and will close on 17th November. APFS will not accept late orders so this deadline must not be missed.

We hope that you will decide to place an order to see your child's artwork printed onto items and support the school. As long as you have the information leaflet, school will not be able to assist with any queries. Should you need any help, please do get in touch with the friendly team at Art Projects for Schools, either by emailing info@apfs.org.uk or call 01227 262417.

Yours sincerely,

Chris Ing
