Mr G Stanley, Headteacher

December 2019

Dear Parents/ Carers,

It is the time of year when many children will be receiving electrical gifts for Christmas. I wanted to take this opportunity to remind you of useful advice for parents when setting up online devices and for guidance when using parental controls. Please find attached a list of useful websites. Links to these sites can also be found on our website www.bishopwood.herts.sch.uk

It has been brought to our attention that even some of our younger children are communicating using online chats and apps. Unfortunately, this has not only been for chatting but has also included unkindness and encouraging others to make dangerous choices. We would appreciate it if you could be vigilant in monitoring your children's activity and encourage conversations about their online activity.

Please remember that most social media platforms are for people over the age of 16 and we strongly advise that primary school age is too young for communication in this way. If you have any questions or concerns, please do not hesitate to contact me.

Kind regards,

Mrs Chris Ing
Online Safety Co-ordinator
