Dear Parents,

Christmas Cards

The children have been very busy creating some beautiful Christmas card designs for you to order as printed cards or other Christmas gifts. Your child's design will be coming home within the next week so please check their bag to make sure you don't miss it. The turnaround we have been given this year is extremely tight so please order quickly to avoid disappointment.

The artwork has not yet been scanned onto the 'Art Project For Schools' website. If you would like to purchase your child's work, it is important that you follow the steps below. Please remember that all artwork looks even more beautiful when it has been digitally scanned - we have been particularly impressed with the wrapping paper in previous years!

The following information is replicated on the handy promotional leaflet which will come home along with the art work.

1. Visit www.apfsorders.co.uk
2. Enter the unique artwork code found on the back of the artwork
3. Place your order. The deadline for this is **15th October**.
4. Return the artwork to school in its plastic pocket so it can be sent to APFS to be scanned and printed.

Important: If you don't return the artwork to us, then the cards can't be printed.

The deadline for returning the art work to school is 18th October.

I have been advised that orders will be dispatched to school on **4th November**.

Each year, the Christmas card project provides an invaluable fund raising opportunity for the school as well as the chance for you to send beautiful personalised cards to family and friends.

Many thanks in advance for your support.

Mrs Ing
