Mr G Stanley, Headteacher

17th April 2020

Dear Parents,

Thank you for all your hard work before Easter in trying to keep your children's education going in this unprecedented situation. We are all very grateful for your support.

We sincerely hope that all your families are fit and healthy. We have all been missing the children and the chance to come into work and carry out the job that we love.

With this note, you will find the first of a weekly set of tasks for your children to carry out. For the foreseeable future, there will be a new set of tasks sent to you each Friday for you to work on during the following week. In addition to these tasks, please don't forget the old favourites of times tables practice and reading!

As Mr Stanley mentioned in his note before Easter, we are very mindful that each family's domestic situation will be very different during the current crisis. So, if your personal circumstances make it very difficult to complete most or all of the tasks set, please do not worry. Just try and get some of them done.

Another reminder about the class email address that was set up just before the Easter break. Please use it to message us with queries about the tasks, samples of work complete or just say hello!

Remember too that, just as we would be if school was open normally, we can be available for non-academic advice as well. If you have a pastoral concern related to how your child is coping with this situation, do please get in touch. We may be able to offer advice, direct you to some online support, or put you in contact with an outside agency who can assist you further.

Once again, many thanks for your ongoing support.

Yours sincerely

Mrs McGhee and Mrs Ing
