5th September 2023

Dear Parents,

We are currently working with Bishop Wood Junior School to understand how the rising financial pressures due to the cost of living crisis might be impacting on children's learning and to try to ensure that pressure on household income doesn't have a negative impact on any child's education.

We are keen to understand how the culture at school impacts on children and any opportunities they experience throughout the school day.

We are speaking to school leaders, children, teachers and governors about things such as access to after school and lunchtime clubs, trips, music tuition, the cost of uniform, how free school meals are administered and how children access food during the school day.

We will be in school on 20th September and it would be great to get the views of as many parents as possible in advance of this. Therefore it would be really useful if you could fill in the questionnaire using the following link [parent survey](#) .

It would be great if you could complete the questionnaire by 14th September.

Thank you for your support

Amanda Abley
