

## Music, Week 11

### **EITHER**

Learn this rap that is in the middle of the song 'Times Like These', the Live Lounge Allstars version.

### **OR**

Have a go at writing your own rap about lockdown, trying to keep the same rhythm as this one. When we are back at school, maybe your rap could be used in a Friday singing assembly! (Only with your permission of course!)

The rap is at 2.29 in this video on YouTube:

Let's go

It's time like these that we activate  
Do something to improve, not procrastinate  
I been cooking now, make a wicked pasta plate  
Stream games at 11 but I clap at 8  
And I'll do a FaceTime if you tempt me  
Time to pay back what the health doc's lent me  
And for me West Ten's elementary  
But right now I wanna see Ladbroke Grove empty  
You get me?

Here is my attempt at a rap!

It's time like these we could get up late  
But it's not for me, don't want to vegetate,  
I've been getting out early, make the most of today,  
Read books more than ever, maybe to escape,  
And I'll zoom a friend if they tempt me,  
Some from way, way back, got back in touch with me,  
See the rainbow on the village sign in front of me,  
Makes me think of the nhs protecting me,  
You get me.
