Reopening of School

We have been watching the Government announcements closely and are in the process of planning for the return of our Year 6 pupils after half term. We will communicate with our Year 6 parents once we have got firm plans in place and with other parents as it rolls out to Year 3, 4 and 5. A survey will be going home today for Year 6 parents. Please can you all complete it. It will be invaluable in helping us to prepare for June.

Hertfordshire have released a press release re the reopening of schools. It is a useful read and can be found [here](#).

INSET Day – Monday 1st June

We had an INSET Day scheduled for Monday 1st June. We will be keeping to this date as it will give us time to get things ready for the returning pupils. The school will be closed to **all** pupils on that day including our Key Worker cohort.

Transition

Key conversations are taking place behind the scenes to secure a strong transition for our Year 6 pupils as they prepare to move on to their next school. Clearly, this may look different to what is normal. Rest assured that we will put together the best possible package to support your child as they move on. I am also liaising with Goldfield regarding Y2 to Y3 transition.
