### **Year 6 SATs Week**

Congratulations to our Year 6 pupils who have reached the end of a very tiring week of assessments. As always, they have approached the week with positivity and determination. We are very proud of them for the attitude they have shown. They have just over half a term left of their time at Bishop Wood which will be filled with many highlights. Mrs McGhee and Mrs Clark will be writing to Year 6 parents next week to outline what will be covered in Year 6 between now and the 18<sup>th</sup> July.

### **Slabs!**

During his work developing the nature area, Mike has unearthed eight very sizeable slabs. They are big and heavy and not needed by the school. They are free to a good home. Please contact the office if you are interested!

### **4PS Class Collective Worship**

Well done to 4PS who led a fantastic worship on the value of friendship. They linked this to learning completed in class, including their Mediterranean topic in Geography, Fantasy Castles in English, and the 'Firework Maker's Daughter' in reading.

### **Worship For All and FOTCH Family Fun Day**

Thank you to all those children and families who gave up their time to come along in support of these events at the weekend. The choir sang beautifully at both events and pupils from across the school helped to deliver a lovely service at St Peter and St Paul. Everyone was speaking very highly of Bishop Wood and its pupils. Well done to everyone involved!

### **Summer Safety!**

The weather has been lovely recently, but it does come with obvious dangers. Please could parents make sure that their children are coming to school with a hat, a full water bottle, and a good covering of sunscreen. Thank you!

### **Great Big Green Week**

As part of Great Big Green Week we have been invited to decorate the bus stop by the church. Please send in any colourful cardboard packaging to use as part of our art display. Thank you!

Mrs Reeve

### **Around School**

*This week*

Year 3 have been learning the colours in French. Year 4 have been sharing instructions on how to host a Mediterranean picnic. The highlight for Year 5 was their trip to Lee Valley. They studied two habitats; pond dipping where they discovered the water was teeming with a huge variety of wild life and a terrestrial habitat where they contrasted wildlife in short grass (very little) and long grass (LOADS!). They will take this knowledge forward in their learning in both English and science. Year 6 have finished their SATs!

*Next week*

Year 3 are looking forward to planting sunflower seeds. Year 4 will be exploring Bologna in Geography. Year 5 are looking forward to continuing to work on their French unit: la plage. Year 6 are continuing their work on World War 2.

### **Useful Reminders**
