### **End of Year Reports**

School reports are being sent home with children today. Please take some time to read through your child's report and celebrate their achievements. If you have any questions or would like to discuss anything further, don't hesitate to contact your child's teacher. There is also a handy feedback slip for you to complete if you so desire.

### **Sports Ambassadors to Goldfield**

On Thursday, the Bishop Wood Sports Ambassadors excitedly went down to Goldfield School to help run their Sports Day. They helped set up and encouraged the Goldfield children to be the best version of themselves and helped them to enjoy the day in all its fullness. The Ambassadors had a lot of fun.

Callum H, Millie G, Alice C, Wills H, Astrid G and Lucy C

### **Big Cat Reading Books – A polite Request**

We are currently missing several *Big Cat* reading books from our school collection. These books are a valuable resource for supporting children's reading development, and we would be very grateful if families could take a moment to check at home—on bookshelves, in bags, or under beds—for any that may have been forgotten. If you do happen to find any *Big Cat* books, please do send them back in with your child. No questions asked—we're just keen to get them back so other children can continue to enjoy them.

Thank you very much for your support.

Mrs Clark

### **Move Up Day**

On Wednesday morning, our children enjoyed an exciting 'Move Up Day,' spending time in their new classes and year groups, getting to know their teachers and classmates for September. We were especially pleased to welcome our new Year 3 cohort for September, who joined us for the morning. We can't wait to see them all again in the new school year!

### **Green Fingered Friends!**

Calling all keen gardeners! Mrs Reeve is looking for passionate green fingered parents to volunteer an hour a month to help keep our school raised beds and Bee Café blooming and beautiful. Your time and expertise will help create a welcoming, vibrant space for our school community and pollinators alike. If you'd like to get involved, please contact the school office. Thank you!

### **Vaping and Smoking on the school site**

We kindly remind all visitors that the entire Bishop Wood site is strictly smoke and vape free, including all outdoor areas and even inside vehicles while on site. If you need to smoke or vape, please ensure you have completely left the school grounds and are well away from other children. Thank you for helping us maintain a healthy and respectful environment for our school community.
