### **Harvest Festival**

We were pleased to hold our annual Harvest Festival at St Peter and St Paul's this afternoon. It was really lovely to bring our community together and to have contributions to the service from each year group. Thank you for all your kind donations to DENS and to the Bishop's Appeal. Thanks also to those family members who came along to support the event!

### **Board Games Donations**

We are looking for donations of board games which can be used by small groups of pupils in school. If you have any games (with pieces complete!) that you no longer use at home, please send them in as we would be very pleased to receive them. Anything from Uno to Kerplunk is welcome. Thank you in advance!

### **Poppy Appeal**

We will be selling poppies in school for the annual poppy appeal from next week. Please send your child in with a contribution if they wish to purchase a poppy.

### **Coats!**

It rained quite heavily this morning and we fielded dozens of children who were soaked through to the skin because they had left the house without a coat on. Please could you ensure the children are properly dressed for the weather. We do not want children to end up getting poorly because they do not have the right clothing and catch a chill. If you need financial support to purchase a coat for your child/children, please do get in contact with Debs as we will be able to help.

### **Fun, Fit and Fruity Week**

We are all really excited about our annual Fun, Fit and Fruity Week. It is one of the best weeks of the year. There are lots of activities planned across the week which will be enjoyed by the children. I am aware that lots of parents will be giving up time to help out. Thank you in advance for giving up your time!

### **Behaviour for Learning Champions!**

### **Around School**

Year 3 had a fantastic time in Science this week investigating whether or not there is a link between the length of the femur and how far people can jump. Year 4 have loved learning about the Ancient Pyramids. Year 5 have been looking at illuminated letters as part of their Anglo-Saxon studies. Year 6 have continued their work on William Morris in Art. Next week, Year 3 will be getting fruity on their smoothie bikes. Year 4 are looking forward to Irish dancing and Tae Kwondo. Year 5 will be studying climate change and Year 6 will be making pizzas...if we manage to get enough parent helpers!

### **Tesco Token Reminder**

We are now up and running in the local Tesco stores. Please convince everyone you know to put their blue token in the Bishop Wood slot!

### **Bishop Wood Fantasy Football**

We have a Bishop Wood Fantasy Football league which is open to current and past pupils/parents and staff members. We forgot to send the details out during the summer break but are more than happy for those already playing to join the league. It should bring over your existing points. The league PIN is: vcn4hc
