

To review my science learning in Year 4.

Our topics this year have been:

My favourite one of these was

because

My favourite lesson this year was  
because

Some new scientific words I've learnt this year (with their definitions) are:

The 3 most interesting/ important things I've learnt in science this year are:

- 1.
- 2.
- 3.

Next year in science, I want to improve
