

# We need Shared Carers

Give some time to offer fun activities to a disabled child

For further information on **Shared Care** call us on **08009170925**

Many disabled children enjoy trying new activities and socialising with caring people outside their immediate family.

**Shared Care** is a scheme which recruits carers to provide short breaks and activities for disabled children. Carers are paid generous allowances to cover their expenses. If you think you would make a good Shared Carer, then we would love to hear from you.
