Mr G Stanley, Headteacher

Monday 7th July 2025

Dear Parents and Carers,

Year 6 – SRE Lesson

We are writing to inform you of the information we will cover in Year 6's next Relationship and Sex Education lesson. It is important that the children are able to distinguish fact from myth in this area of the curriculum as they prepare to move on to secondary school.

On Thursday 10th July, Year 6 will have a lesson and discussion on the following:

- physical and emotional changes experienced during puberty.
- human reproduction - this will be taught in the context of loving relationships.
- having a baby and the responsibilities that come with being a parent.
- respect and consent when touching others, by building on their knowledge of how they behave already with their peers.

Short, animated clips and interviews with children will be used alongside discussion.

Kind regards,

Mrs McGhee and Mrs Clark
